# About Company

## *Kadulele Trading cc – Excellence Across Divisions Since 2007*

Kadulele Trading cc is a dynamic, multifaceted company founded in 2007 by Mr. Nene. Headquartered in Durban, South Africa, the company has grown steadily over the years, building a solid reputation for delivering reliable and professional services across multiple sectors.

Our business is structured into four specialized divisions:

- **Construction:** We offer a full spectrum of construction services, from residential and commercial building to infrastructure projects. With a commitment to quality and timely delivery, our construction team ensures every project is completed to the highest standards.
- **Security:** Kadulele Trading cc provides tailored security solutions, including manned guarding, access control, and surveillance services. Our trained personnel and advanced systems ensure safety and peace of mind for our clients.
- **Cleaning:** Our cleaning division delivers efficient and hygienic solutions for offices, industrial sites, and public facilities. Using eco-friendly products and professional techniques, we maintain clean and healthy environments.
- **Logistics:** With a dedicated logistics team, we offer dependable freight and transport services, ensuring goods are moved safely and efficiently throughout the region.

At Kadulele Trading cc, we pride ourselves on our customer-centric approach, professionalism, and integrity. Whether it's constructing a new building, safeguarding your assets, maintaining cleanliness, or delivering goods, we are committed to exceeding expectations.

# Mission & Vision

**Building trust. Securing futures. Moving with purpose.**

## **Vision**

To be a leading multidisciplinary service provider in Southern Africa, recognized for excellence, integrity, and a lasting impact across industries and communities.

## **Mission**

To deliver reliable, high-quality services in construction, security, cleaning, and freight through innovation, professionalism, and a commitment to client satisfaction. We strive to uplift communities, empower our workforce, and contribute to the sustainable development of South Africa.
